

The Timbers Association Pool Facilities Rules

The following are general rules and usage requirements of the Timbers Association Swimming Pool. More detailed rules will be posted at the pool and on the Timbers Web site. (www.timbers-hoa.org). These rules and regulations are designed to assure the safe, sanitary and orderly operation of our pool. All members and their guests are expected to abide by these rules and are responsible for any damage they may cause.

1. Pool Management, Control and Enforcement of Rules.

Titan Pool Service is our pool management company and has complete authority to enforce all pool rules. Members and their guests are expected to comply with all instructions issued by the lifeguards for the safe operation of the pool, surrounding facilities and residents. Failure to comply with the lifeguard's direction may result in immediate expulsion from the pool. If a member is expelled all passes assigned to the members home will be denied access to the pool area for a minimum of 14 days. Suspensions may be appealed to the Timbers HOA through East Coast Management (703-569-9880).

2. Pool Hours for the 2023 Season are:
